**OIML Member State** The Netherlands Number R60/2000-NL1-16.47 Project number 16200790 Page 1 of 2

Issuing authority	NMi Certin B.V. Person responsible: C. Oosterman
Applicant and Manufacturer	Acecells instruments Co., Limited 61 Pread Street, dept 400 London, W2 1NS United Kindgdom
Identification of the certified type	A <b>compression load cell</b> , with strain gauges, Type : WL506A
Characteristics	See next page
identified in the OIML	the conformity of the above identified Type (represented by the sample(s) Test Report) with the requirements of the following Recommendation of the tion of Legal Metrology (OIML):
	OIML R60 - Edition 2000 (E) for accuracy class C
instrument covered by	only to the metrological and technical characteristics of the type of measuring the relevant OIML International Recommendation above-identified. The stow any form of legal international approval.
OIML Member State in	from the mention of the Certificate's reference number and the name of the which the Certificate was issued, partial quotation of the Certificate and of est Report(s) is not permitted, although either may be reproduced in full.
